

Dear CME Professional:

The Board of the Texas Alliance for Continuing Medical Education (TACME) invites you to join TACME for the 2010 calendar year. TACME is a non-profit Texas organization established to promote quality CME in the state of Texas. It also provides opportunities for professional growth and development to all professionals and representatives of companies involved in CME in Texas. To find out more about the organization, including many of the resources available to you, please visit our web site at www.tacme.org.

TACME has a new on-line registration and payment feature for joining and renewal of membership. This new streamlined process necessitates that dues for all individuals be set at the same amount (\$30). Please visit the website and click the left column heading, "How to Join," for complete instructions. We encourage everyone to complete their membership form online even if the payment is sent in by check. If the online membership form is not completed, please complete the enclosed application and send it with your check to: Deb Jorden, 305 Pennsylvania Ave., Kennedale, TX 76060. Forms may also be printed from the TACME web site.

The involvement of CME professionals that share ideas and learn from one another, makes this organization more beneficial as we move toward new goals and challenges. There are many opportunities to share your talents and participate. Membership is currently at an all-time high and we continue to grow every year. I invite you to come join us in 2010.

Sincerely,

Marilyn A. Peterson

Marilyn Peterson, President
